

Raytheon Quality Note
FW

Revision - Date
6- 04/10/08

PREFERENCE FOR DOMESTIC SPECIALTY METALS

This purchase order incorporates Raytheon's General Terms and Conditions of Purchase, which impose requirements with which you must comply when filling this purchase order. Also, this purchase order incorporates either the contract clause at:

DFARS 252.225-7014 Alt. I; or
DFARS 252.225-7014 Alt.I (Deviation); or
DFARS 252.225-7014 (Deviation No. 2006-O0004); or
DFARS 252.225-7014 Alt.I (Deviation No. 2006-O0004); or
DFARS 252.225-7014 (Deviation No. 2007-O0011); or
DFARS 252.225-7014 Alt.I (Deviation No. 2007-O0011); or
DFARS 252.225.7014 (Deviation No. 2008-O0002); or
DFARS 252.225-7014 Alt.I (Deviation No. 2008-O0002);

whichever is applicable. You must flow down the applicable clause above, to all of your vendors that supply any articles delivered under this purchase order that include specialty metals. All such clauses provide the same definition of specialty metals and prohibit Raytheon and all of its suppliers at every tier from incorporating specialty metals into military parts, components and/or end item deliverables unless the specialty metals have been smelted (the Deviation clauses add "or produced") in the United States, its outlying areas, or a qualifying country listed in DFARS 225.872-1.

Exemptions to requirements of the above clauses may exist, as outlined in the clauses themselves or by operation of applicable Department of Defense Domestic Non-Availability Determinations (DNADs) posted on its public web site for that purpose. If you believe an exemption(s) apply, please specify the specifics and provide Raytheon with documents and information sufficient to demonstrate your entitlement thereto.

This document is an integral part of the contract (purchase order), which calls it out. The revision in effect at the time the purchase order was placed applies.
